1000 Days is primarily a Folk-Rock band with blended stylistic elements varying from bluegrass, jazz, funk, reggae, and country. The group conveys a positive message through song, citing Psalm 84:10. Lord's house. Expressed in their own ways, they have a burning desire to share the one true hope they have found in this life. 1000 Days E.P., Dog Days, reveals just a bit of longing for home. They're holding the door open for others. They lived life the ordinary way, but it just didn't measure up. Now, they truly want to show...A Better Way. 1000 Days full length CD, Sunflower, highlights the journey that God has taken each member on. It reveals the struggles endured and Grace received.

1000 Days Concert to benefit orphans in Kenya

Join 1000 Days for an evening of musical testimony and inspiring stories about the work of Mercy's Hope, a non-profit organization that singer, Valerie Hays, works with. On February 28th at 6:00 pm, Crosswinds Church at 2120 Parkway Dr. in St. Peters, MO will be hosting this concert to help raise awareness and funds for the March trip that Valerie will be taking to Kenya. She will be visiting 5 orphanages in Kenya, Africa. While she is there, she is hoping to bless the children with new school uniforms, mosquito nets for their beds, new bunk beds and school supplies. That evening you will be able to purchase hand-made african jewelry, a CD made by the orphans, Mercy's Hope Wear and you can also learn about how to become a sponsor of one of the children in the orphanages. You don't want to miss this night! To learn more about this event and others go to www.mercyshope.net or www.1000daysonline.com
