BAND STORY

"We would like to welcome you to AVANTI Productions. We offer professional Digital Audio Recording, Editing, Mastering and Graphic Design. We have over a decade of experience in audio engineering, remaining in the same location since opening our doors in 1994. We've worked with many regional artists and produced music for acts ranging from Rap to Rock, Classical to Country. AVANTI Productions is centrally located in St. Louis' Central West End. The studio is comprised of two Isolated Rooms (Live room & Drum/Vocal Booth) and our Control Room. The atmosphere is creative. The space is comfortable and our staff is accomodating and knowledgable. All this, and still... our prices are affordable. \$40.00/hr. for Recording or Mastering. If you would like to prepay for bulk rate, you can purchase 8 hour blocks for just \$250. AVANTI means "move forward" - And that's what we'd like to help you do: Move Your Music Forward. So, whether you have a demo, album or fundraiser, we'd like to help you capture your sonic dreams and move them into reality. Please contact us today. We look forward to hearing from you. "
