

Adam Bitter

BAND STORY

"Adam Bitter is the official music minister for the Life Teen program at Incarnate Word Catholic parish in chesterfield , Mo. He is an amazing guitarist, vocalist, and person. His vocals and smooth guitar playing make the teen mass much more prayerful. Because of his soft voice, Adam's music allows us all to feel like we are in God's presence. By this, I mean, that even though we know God is here with us, hearing Adam is like hearing our savior standing right in front of us. He has amazed many and will probably never stop. I know he has touched my heart in many ways, and I hope, through this fan site, he can touch yours. (Justin M. Wallen, Webmaster) "
