BAND STORY

"

We are a new record store/music venue 35 minutes south of St. Louis. We are located at 524 Bailey Road, Crystal City MO 63019. We carry a large selection of LP's along with used CD's. We are also an official Numark Dealer and carry a nice selection of turntables, DJ supplies, and a great selection of DJ vinyl. We also have a concert stage and will host shows a few times a month, so be sure to check our concert calendar for upcoming events. If you are interested in playing at BLV, drop us a line and we will see about setting something up. We have quite a few new things coming your way very soon, so I will keep you updated. If you have any questions, please do not hesitate to ask. Please be sure to check us out on myspace and take a look at our concert calendar. God Bless.
