

Denial 3

BAND STORY

"Denial 3 is the brainchild of master illusionist Thomas St. John, who, after years of performing his magic and illusions for both secular and Christian audiences, felt called to take his ministry to the next level through words and music. St. John recruited the talents of vocal prodigy Samantha Page and journeyman drummer Brian Hohe. Together they honed St. John's original songs into a different kind of contemporary Christian sound, characterized by driving rock drums and guitars and a straight ahead vocal style that invites the listener to sing along. After eight months of refining and polishing these songs, Denial 3 hit the studio. The result is Christian Warrior, a nine-song CD with an eclectic mix of fist-pumping Christian rock anthems and heartfelt ballads about the journey from exile to salvation."
