BAND STORY

"

In the beginning was the Word, and the Word was with God, and the Word was God. He was in the beginning with God. All things came into being through Him. John 1:1-3 God's word is the EVIDENCE of His existence. Everything we see, experience and understand is shaped by the word of God. His words spoken created the world we live in. Everything we see and hear is EVIDENCE of His existence. Speaking to one another in psalms, hymns and spiritual songs, singing and making melody with our heart to the Lord. Ephesians 5:19 Passion for Jesus flowing through an electronic environment of modern worship and dance grooves. The music takes you on a journey through a sonic landscape. Lush pads create a foundation for the powerful arrangements. Layers of ambient movements, drum grooves, and modern guitars fill the atmosphere. Passionate vocals crying out for this generation to draw close and hunger for intimacy with our creator. All of these elements when blended with a hunger for Jesus, create the sculptured sound that is EVIDENCE.
