

From Beginning to End

BAND STORY

"From Beginning to End formed in late 2004 under the name Whosoever Will. Due to changes within the band, the name was changed to From Beginning to End. The band has become known for combining driving rhythms, melodic harmonies, provoking lyrics, and endless energy. From opening for such acts as: The Myriad, Cool Hand Luke, Stavesacre, Hawthorne Heights, Amber Pacific, Glasseater, Days Like These, The Wedding, Kids in the Way, and Forever Changed, to playing small more informal venues, From Beginning to End has shown their willingness to go where the door opens. From Beginning to End exists to be what God desires it to be. We have learned, after all, that if God is not in what is going on, then it might as well not go on at all."
