

Allie & Nick LaPointe

BAND STORY

"Allies sweetly-layered lead vocals are without a doubt the strength of this project. Comfortably supported by acoustic guitars and a variety of percussive toys including washboard and trashcan, her girly yet graceful voice lands somewhere between Ginny Owens and Lisa Loeb with a touch of Edie Brickell zest. Though tough to choose, I'd say the most memorable track on this album is the last one: "Nobodys Left out of Grace." Not only is it a lyrically stirring portrait of a struggling family, but the piano part looms as a beautifully haunting backdrop for a delicate singing performance. Overall, the duos alternately upbeat/mellow, easily attainable brand of folk-worship is one that will linger in your head long after you listen. -- Kierstin Berry (<http://www.grassrootsmusic.com/artist/lapointe/lapointe1>)
