

MISSOURIINO

BAND STORY

"Unmistakable, incontestable, proven and sure is what you get when you mix hard-hitting heavy b**** lines, melodic and anointed chords, strings and rhythms along with the "Undeniable" message of "MISSOURIINO". Truly brothers making a difference would describe Darnell Alexander a.k.a " Alexander "Da Great" and Corey Thomas a.k.a "Mr. Triganaille". However, "MISSOURIINO" is much more than just a name for these chosen Godly men. "MISSOURIINO" is a new way of life for the Saint Louis natives that met in Virginia in 1998 while living a life consisting of drugs, thugs and slugs, modestly speaking. (Quote - from Mr. Triganaille, "We haven't always been saved.") "MISSOURIINO" is definitely on a mission to infuse the world with a positive yet unique message that sets them apart, winning over the hardest of hearts and is for all walks of life to enjoy. "UNDENIABLE" article I and II is a reenactment of the duo's personal life as well as a blueprint of their "past, present and future". Speaking life into existence, the duo describes this uplifting and p****ionate double CD as a "roller coaster ride" with guarantees that the listener will be constantly hitting the repeat button. Two anointed Godly men, daring to go where others want, willing to put it all on the line for what they believe, rapping with attitude, conviction and the true gospel of Jesus Christ. "MISSOURIINO" is "UNDENIABLE". "
