### band?

just thought i throw a post. ok, I am looking for band members (drums and bass primarily, but also guitar piano and cello or really anything you got to through at me, God loves creativity, so why limit ourselves.)

i'm looking for people who love to write and love exploring our god through music. everything from tomlinesque worship to anberlin rock. the song i have up are the slower side of what i write (being that they were bandless)

if you interested email me at [ndrakephoto@gmail.com](mailto:ndrakephoto@gmail.com)

and stayed tuned, i'll have some new rockin songs up soon.

### New songs

I just put up a couple song that will be on the EP i plan to release shortly. Enjoy

I let you know when my EP comes out, i'm recording vocals on Saturday. Yeah!
