### LATEST NEWS

#### Another Coffee House

Another successful coffee house with Florissant First Christian Church. I (Steve) got to sit in with the FCC band and play songs I had never played before. "I'm a believer" went over well, as did "More Love, More Power"

#### MLK Day at Flo Valley

The acoustics in the Flo Valley auditorium are great! We did three songs, ending with We Shall Be Free (Garth Brooks). Also performing were the Hallelujah Hand Bells (Youth hand bell choir from St. Andrew), and a children's mime dancing group from another church. The winning MLK essayists also read their essays. Thanks to everyone who came to see us.
