LATEST NEWS

high school concert

It started when I entered the school. I walked over to the classroom and, grabbed my acoustic. Now the music we play in class is way different then what i have on my station and profile, this music was classical guitar, like OH SUSANNA music. I'm not used to it, at all.

I wasn't used to playing, in front of people, like a big crowd, so I was kind of nervous, about the whole 150 people.

I entered the stage and tried not to look at my parents or sister. I couldn't find them in the audience but i knew they there.

The first song that we played was SILENT NIGHT, with the strumming part included. The second song we played was CAROL OF THE BELLS that is a lot of fun to play. The next song we played was CALYPSO CAROL a easy song to play, although i did have some trouble, and everyone else with the tempo at the end. After that song we went and sat in the audience, and watched, the band play a 13 minute song. When they were done the guitar class (us) played with the band, we played a song called CHRISTMAS CAROLS ON PARADE the hardest song to play the guitar part had to pretend to play it, atleast i did.
